

March 18, 2020

To all of Our Valued Guests

This is a challenging time around the World and in Canada. The continued health, safety and comfort of our Guests and Team Members remains our top priority during this difficult time. We continue to follow the recommendations of the Chief Medical Officer of Health in order to contain the spread of COVID-19. As a result, we are closing our Dine-in service as of March 17, 2020.

We remain diligent in our food handling and safety procedures, so that we may continue to offer takeout and delivery where available.

We will continue to monitor the situation and keep you informed of changes as they occur. We thank you for your support during these challenging times and we look forward to welcoming you to the restaurant upon reopening.

Sincerely,

New Orleans Pizza Team
